

SUPPORT THE CHARM OF DOWNTOWN!

Flower Baskets Sponsorship

Dear Valued Community Business,

The Downtown Merchants Association is once again excited for the arrival of the flower baskets along Broadway! It's a popular effort of Downtown beautification and added charm for the community. The flower baskets will be delivered and hung from the downtown lamp posts in early May.

We have been fortunate over the last few years to have dedicated sponsors who value the appeal these beautiful flowers bring to Downtown and the community. Visitors and residents absolutely love the flower baskets and really give a welcoming feel for the community. **Here is your opportunity** to support and be part of this valued effort! Please consider sponsoring a flower basket!

Sponsorship will be on a *first come, first serve* basis...so sign up early! **Please return form before April 1, 2018.** Our goal is to get enough sponsors to grow the placements of the flower baskets into the side streets.

***SPONSORS WILL BE RECOGNIZED IN A SPECIAL SECTION OF DOWNTOWN'S WEBSITE AS WELL AS SOCIAL MEDIA**
